

Besame Cha

COPPER **KNOB**
BY STEPHENETS

Count: 16

Wall: 4

Level: Beginner

Choreographer: Dolly Embee (CAN) - March 2021

Music: Besame Mucho - Trini Lopez

Also: "Let's Get Loud", "Sway", "Tea For Two", etc. ...

Choreographer's Note: Before the restrictions of "pandemic" dancing, our groups performed this dance as shown below, in double-circles, partners lined-up in-front-&-behind each other.

- at wall 12:00, inner-circle leads; their partners dance lined-up directly behind
- at wall 9:00, link w/elbows—partners side-by-side, free hands on hips
- at wall 6:00, outer-circle leads; their partners dance lined-up directly behind
- at wall 3:00, link w/ elbows—partners side-by-side, free hands on hips

Adds "party" atmosphere + folkloric-type participation. Fun!
