

Ritzy & Easy (R & E)

COPPER **KNOB**
BY STEPHEN

Count: 32

Wall: 4

Level: Absolute Beginner / Newcomer

Choreographer: Dolly Embee (CAN) - May 2021

Music: Puttin' On the Ritz - Scooter Lee

Rotation: CW

Note #1: I choreographed this as a "split" for my dance "Ritz It Up"

Note #2: ****Section-2 & **Section-3 are interchangeable, so either of them may be danced before the other one; then follow with Section-4.**

Note #3: Create an extra "fun-challenge" by alternating the pattern to keep opposite walls in sync, e.g., using the same pattern for Wall-1 &

Wall-3, and switching the pattern for Wall-2 & Wall-4 !

SECTION-1 Walk forward, walk back; each with one side touch

1-2-3-4 Walk forward RLR; touch L to left side

5-6-7-8 Walk back LRL; touch R to right side

**** SECTION-2 & **SECTION-3 are interchangeable, if so desired**

SECTION-2 Steps & Cross-Kicks, 2×

1-2-3-4 Step on R, kick L across R; step on L, kick R across L

5-6-7-8 Repeat the above sequence of "1-2-3-4"

SECTION-3 Walk forward, walk back; each with one side touch

1-2-3-4 Walk forward RLR; touch L to left side

5-6-7-8 Walk back LRL; touch R to right side

SECTION-4 Toe-struts, with 2× 1/8th-turns right; t-struts on the spot

1-2-3-4 Toe-struts w/ R, then L, making 2× 1/8th-turns right [3:00]

5-6-7-8 Toe-struts in place on new wall w/ R, then w/ L

ENJOY DANCE AGAIN ON NEW WALL !
