Optional Styling: The first time you do the stomp, and heel drops, you may want to hold your hat brim on the lyrics "hang my hat."

After that, you may like to imitate a little surf move when the lyrics mention riding the waves ☐

BEGIN AGAIN - ENJOY

Ending: The dance ends at the end of the weave, facing 9:00. On count 8 (last step of weave), lean into the R foot, and look to your right. Tah dah!

Note regarding no restarts: There could be two restarts in the dance. I chose not to address them because the second one is a bit harder to hear and the song comes back on phrase.

As Maddison Glover would say, "You're welcome" lolol. Love ya Maddy!

Dance title: The song artist is Brian Kelley, hence the initials' BK' in the title of the dance. The lyrics mention "your boy BK going John Wayne on these waves"
