Alternate Music: There Must Be An Angel (Playing With My Heart) - Eurythmics - - #32 count Introduction

I would like to acknowledge the choreography of Maddison Glover. The choreography of "Cold Heart Easy Turns" is based on Maddison Glover's excellent Dance, "Cold Heart." I revised the dance to make it a bit simpler for my beginner line dancers by removing most of the turns. A Huge Thanks to Maddison Glover and her talent as a choreographer.
