ENDING: The music slows down at the end, but just keep going at normal tempo. You can end the dance with the 1/4 turn R on count 34 and continue pivoting on both feet all the way around slowly to the front turning the 1/4 turn into a 3/4 pivot turn allowing knees to bend and legs to cross naturally as you turn. Bring your left arm up and point forward (YOU) as you pivot around.

Enjoy!
