Begin dance again!

Note: This song is a slightly more upbeat version of P. Ramlee's classic and is easier to dance to. However, the original version is also fine if Gin Lee's version is not available . Enjoy!

Getaran Jiwa - literally translated means vibration of the soul . This iconic song by a most beloved singer/composer speaks of the stirring of the soul by the rhythm and song it hears. I hope you enjoy dancing to this faster-paced and more modern version
