Note: During counts 2-4& you'll turn 1/2 to left. Don't get too picky on how much you turn with each move. All three moves turn you total of 1/2 to left and that's all there is to it. There is also an easier option below for the last 4 counts if batucadas are not your thing.

The easier option:

TOE TOUCHES MOVING BACKWARDS

- 5 Step right forward
- 6& Touch left toe forward, step left back

7& Touch right toe forward, step right back
8 Touch right toe forward
