- 5-6 Turn ¼ to right and step left to left side, touch right next to left
- 7-8 Turn ½ to right and step right to right side, step left next to right

Note: if the two turns on the last 4 counts are too much, you can replace them with a ¼ left turning step (on count 5), touching right next to left (on count 6) stepping right to right side (on count 7), stepping left next to right (on count 8). This way you only need to turn ¼ to left.
