& 3,4 Switch weight to Right and Point Left toe to side, hold
5-8 As you take weight on L, Roll hips and slowly slide R toe in to a touch beside L

****TAG: There is one tag that happens at 12:00 after wall 8. (You will hear a sigh of what sounds like frustration in the lyrics).**

[1-4] Slow Walk Forward Right, Left and then begin again

(Styling Option: Do the slow walk like a Prissy/Model Walk, kinda sexy)

Have fun with this dance. Make it as sexy as you like. There is a lot of room for styling and interpretation. As always, I would love to see your videos and/or hear from you about what your group thinks of the dance.
