Step, ¼ Pivot, Weave w/¼, Rock Step, Back, Skate, Skate

- 1, 2& Step R forward, step L forward, Turn ¼ right step R to right
3&4& Cross L over R, Step R to right side, Cross L behind R, Turning ¼ right step R forward
5, 6& Rock forward onto L, Recover back on R, Step L back
7, 8 Step R back diagonally while gliding L back toward R, Step L back diagonally while gliding R back toward L

Coaster, Shuffle, Rock w/Hips, Heel, Step Back, Heel, Step Back, Back Rock

- 1&2 Step R back, Step L next to R, Step R forward
3&4 Step L forward, Step R next to L, Step L forward
5& Rock R forward while swaying R hip forward, Recover back onto L while swaying L hip back
6&7& Touch R heel forward, Step R back small step, Touch L heel forward, Step L back small step
8& Rock back on R, Recover on L while beginning ¼ turn left

Use those hips on counts 5&6&7&, especially when they sing "Shake, shake, Shakira hips". Possible variations we found that work for counts 6&7&: toe struts back, kick then step back x2, step then kick back x2.

¼ Turn into NightClub Basic, Night Club Basic, Toe Struts X 2, V-Step

- 1, 2& Complete ¼ turn left stepping R out to right side, Rock back on L, Recover on R
3, 4& Step L out to left side, Back rock on R, Recover on L
5&6& Touch R toe forward, Step R heel down, Touch L heel forward, Step L heel down
7&8& Step R forward diagonally right, Step L forward diagonally left, Step R back to center, Step L back to center

Toward the end of the song it will sound like a restart should occur, but dance through it. This will put the "Shake, shake, Shakira hips" on the toe struts and V-step, an easy place to emphasize hips.

Get lost in the music.....the moment.
