Optional Restart: I honestly don't think a restart is necessary with this song, but there is a point where an easy Restart could occur. My demo shows the Restart, but I do believe its optional. If you like the dance and song, just dance whichever way feels best for you. Thank you.

The Optional Restart occurs on 8th Rotation facing Wall 3 after the first 16 counts (second time on 3:00 wall). Repeat the first 16 counts.
