That's it! I can't pronounce the name, so I made up one! But it's a fun song. It took a long time finding the right one. I hope you like it. As for the last section, you can either step back, or step fwd. Whichever is the easiest way for you. Please let me know if you do like it. All I ask is that you don't alter the routine without my permission. I'm running out of ideas, so this might be my last routine like this. I also make-up routines for other people, if you have a certain song you like and a few steps you want in it, let me know and I'll make one up for you. If you have any questions, please feel free to contact me and I will help you if I can.
