Choreographer's Note: During Wall 13 (12:00) The music begins to drop out and Fancy slows down vocally, into a moment of silence for 8 counts (25-32)- JUST KEEP DANCING through it! It picks right back up into the top of the dance & you'll dance it 4 more times! Add some style! Angle those knees out on the Hitches in Section 9-16, and have FUN!
