The song will end on the last Waltz Step, stepping back. You can end with a bow, or anything you like.

That's it! I totally love this song and couldn't resist trying a waltz to it. I do hope you like it. I made it 48 counts so it wouldn't be boring. Just remember that you go through the whole routine 2x's, then one tag. It's easier to remember that way. Please let me know if you like it. All I ask is that you do not alter routine without my permission. Happy dancing! mygeo@adamswells.com, or mygrantg@gmail.com If you need any help with it, please feel free to contact me and I will help you if I can. Georgie
