Bruce Springsteen wrote "If I Should Fall Behind" as a love song dedicated to his wife, Patti Scialfa, whom he married in 1991. He considers it one of his best songs about the dedication and commitment that come with love. The original recording by Bruce is not suitable for a Line Dance but this arrangement by Irish singer P.J. Murrphy and Scottish singer Isla Grant is ideal for a Line Dance Waltz.....

"I'll wait for you, and Should I fall behind Will you wait for me"
