#14 count intro:

In Good News, Shaboozey uses both 7 count and 8 count phrasing. In order to accommodate this in the dance, sections 1-4 use 7 counts and sections 5-8 use 8 counts. This was accomplished mostly by dropping one count from sections 5-8 so the two different types of phrasing have basically the same steps. However, minor adjustments were made to accommodate turning and are indicated in bold type. They occur in section 2 and 4 only.

Also I'd recommend you learn sections 5-8 first. Sections 1-4 are a modification of 5-8.
