

# Coastin - New Orleans

**COPPER** **NOB**  
BY SHEETS

**Count:** 24

**Wall:** 4

**Level:** Improver

**Choreographer:** Patricia Garner (USA) - December 2024

**Music:** Coastin' (feat. Lalah Hathaway) - Boney James

I believe soul dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, and making strong muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.

The dance starts when the singing starts. Take it nice and easy!
