

Can We Talk

COPPER **KNOB**
BY STEPSHEETS

Count: 32

Wall: 4

Level: Improver

Choreographer: Faith Manning (USA) - December 2024

Music: Can We Talk - Tevin Campbell

I believe soul line dances are usually learned by watching people dance it and memorizing the steps, how they fit the music, and making strong muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music. The dance starts when the singing starts.
