

Lose Control

Count: 36

Wall: 4

Level: High Improver

Choreographer: Bernadette Burnette (USA) - January 2025

Music: Lose Control (feat. Ciara & Fat Man Scoop) - Missy Elliott

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, and making strong muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.
