- 5 Step right foot next to left.
- 6-8 Kick Ball-Change: Kick left foot forward in a small kick, step quickly on ball of left foot, then step right foot in place.

### Note:

The choreographer of this dance is unknown.

It has been danced since the early 2000s. Our dance group, "Outliners," has preserved the original step sheet, which was typed on a typewriter. We are now sharing this step sheet with the wider line dance community.

Enjoy the dance!
