

Summer Rain

COPPER KNOB
BY STEPSHEETS

Count: 16

Wall: 4

Level: Improver

Choreographer: Unknown

Music: Summer Rain - Carl Thomas

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, making strong musical muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.

PART 1: 16 COUNTS

SWIVELS RIGHT AND LEFT, SHUFFLE UP, ROCK, RECOVER, LOCK STEP BACK, ROCK BACK, SHUFFLE QUARTER TURN LEFT

1 2 3 4 Swivel to right then left, left but lift left foot at same time on count 4

5&6 7 8 Shuffle up LRL, rock up on right recover on left

9&10 11 12 Shuffle back RLR, rock , rock back on left, recover on right

13&14 15 16 Shuffle forward LRL, step up on right, quarter turn left stepping on left

REPEAT STEPS 1-6 ABOVE UNTIL YOU RETURN TO THE FRONT WALL

STYLE/VARIATION NOTE: For steps 1-4...exaggerate the swivels on 1 and 2 counts to prep for making full right turn stepping RLR for 3&4
