STYLING OPTION: Instead of strutting and turning ⅔ over R shoulder, you can add in some flared spins however you like to match the music or even throw in some freestyle flare of your own!

If there are a few mistakes with the stepsheet, I deeply apologize! I tried my hardest and also had some help! I would like to thank Brianna Bench @dancewithbrii for helping me out with the step sheet as best as she could! It means the absolute world to me and I couldn't have made it without you! Also would love to thank BRIM for believing in me to choreograph to their music again. **DON'T SLEEP ON THEM!!**

Have fun and make sure to tag me in your videos
