

K2C Senorita Baby

COPPER KNOB
BY STEPSHEETS

Count: 32

Wall: 4

Level: Beginner

Choreographer: Bonnie Berns (USA) - March 2025

Music: Señorita - Shawn Mendes & Camila Cabello

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, and making strong musical muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.

GRAPEVINES

1 2 3 4 Grapevine R - step right, left behind, right side, left touch

5 6 7 8 Grapevine L - step left, right behind, left side, right touch

REPEAT THE 8 COUNTS OF GRAPEVINES ABOVE

V STEPS

1 2 3 4 Step up at an angle with right foot, up on left, right foot home, left foot home

5 6 7 8 Step up at an angle with left foot, up on right, left foot home, right foot home

HIP ROLLS RIGHT, LEFT ENDING IN QUARTER LEFT TURN

1 2 3 4 Roll hips to left, repeat to right

5 6 7 8 Make quarter turn left rolling hips to left and right

REPEAT ENTIRE DANCE THREE MORE TIMES TO END FACING FRONT
