- 8 Unwind ½ turn over R shoulder, weight L

Restarts: Walls 4 and 7. Restart after 16 counts following the Walk R, Walk L. Wall 4 aligns nicely with music. Wall 7 happens after a rad 16-count piano riff.

That's So Extra: Wall 2. Counts 15 & 16 (Walk R, Walk L). Pantomime playing an instrument like a trombone, trumpet, clarinet, or drum. The whole floor will look like it's marching in a Mardi Gras parade when Drake White sings, "Stomp'n' down Bourbon Street."

End: Dance ends with a Stomp L/Hitch Slap/Stomp L on counts 23&24. Quite abrupt. Almost disturbingly abrupt. Like it will make you contemplate your own mortality.
