- 3-4 Step left to left side, swing left arm in front and over head
- 5 Push hips back while swinging arms straight forward
- 9 Push hips forward while swinging arms past your hips, behind you
- 10 Push hips back while swinging arms past your hips, straight forward
- 11 Push hips forward while swinging arms past your hips, behind you
- & Turn ¼ turn left as you step with your right into the beginning of this phrase

Do four times, each on new wall, will make a full turn

You can funk this up any way you want to. The beat is heavy so it's hard to lose. When doing the hip bumps in Phrase A, you can do shoulder shrugs, alternating shoulders with hips. Makes it a little more "showy". When it calls for body rolls, you can roll your hands down your sides with the roll to make it more "slinky"
