Style note: Pony section: All counts (not including '&') raise/hitch knee whilst moving slowly forward.

Fun note: Reverse arm action by having lines doing alternate arms movements

i.e.: Line one 25-26 arms down... line two arms up – create a 'wave' pattern.

## SECTION B - 102 to zero bpm (The 'Easy' part 2 - as the music gradually slows to a stop) (12:00)

Because the music slows over 10 'full counts' (each gap getting longer as it progresses) the preciseness of the steps can

get a little muddled.. don't worry – as long you move with the tempo and end facing the 12:00/home wall with feet together. (mentally counting up to 10....)

- 1 – 6 Walk (over 6 counts) - rotating forearms forward (both together a'la 'Riverboat/Paddle Steamer') perform a FULL turn left to face 'home'/12:00 wall
- 7 – 8 Walk forward – still rotating forearms
- 9 – 10 Feet side by side – lower head & lower arms to sides (getting ready for the sudden start on '10')
