## REPEAT

## TAG

If you want to do the hip bumps on the "kiss this, etc" lyrics throughout the entire dance, it will be necessary to add a 4 count tag to the 8 count hip bumps ending after the completion of the 4th sequence. That is, after we complete 4 sequences of the dance, from the 5th sequence on until the end of the dance, we need to add the following 4 counts to the end of the dance (following the 4 bumps to right, left, right, left):

- 1-2 Two hip bumps to right
- 3-4 Two hip bumps to left
