Level:

Choreographer: Tom Perry

Music: Lone Star Lovin' Night - Tom Perry

SIDE, BEHIND, SIDE, LIFT

1-4 Starting with left foot, step sideways with left, cross right behind left, step sideways with left then left right knee on fourth beat

SIDE, BEHIND, SIDE, LIFT

5-8 Starting with right foot, step sideways with right, cross left behind right, step sideways with right then lift left knee on fourth beat

SIDE, TOUCH, SIDE, TOUCH

9-12 Starting with left foot, step sideways with left then touch right foot to left - do not take weight on right starting with right foot, step sideways with right then touch left to right - do not take weight on left

WALK, TWO, THREE, TURN

13-16 Starting with left foot, walk forward four steps, turning $\frac{1}{4}$ turn to the right on the fourth step to help with the turn, execute a football type kick with the left foot between the fourth beat and the first beat of the new verse. These helps make the turn smooth and gets the left foot in position for the first beat of the new verse.
