CROSS ROCK STEP RIGHT OVER LEFT, WEAVE TO RIGHT SIDE WITH SYNCOPATED ROCK STEP BACK

- 43-45 Rock forward right crossing right over left, recover onto left, step right foot to right side
- 46-48& Step left foot over right, step right foot to right side, rock back onto left foot, recover onto right foot

REPEAT

At the end of the dance I added a little syncopation so that you are able to start the dance again on the left foot leading into the hip sways. Don't let this syncopation scare you, it actually flows quite nicely. So keep the last count as smooth as possible.
