

Lucky Lady

COPPER **KNOB**
BY STEPHEN

Count: 32

Wall: 2

Level:

Choreographer: Stella Cabeca (USA)

Music: Lucky Lady

Styling: place right hand on right hip and left hand on back of head, left side with elbows out in sassy style for first 4 counts then reverse to opposite side for counts 5-8

1-4 Push right hip out to right, then back, push hip out to right, then back

5-8 Push left hip out to left, then back, push left hip out to left, then back

Styling: put right hand up in front on count 1 and pull down as pulling arm down on slot machine on count 2.

Repeat up-down up-down up-down on counts 3-8

1-2 Step forward on left foot, dip down bending knee on left

3-4 Step forward on right foot, dip down bending right knee

5-6 Step forward on left foot, dip down bending on left knee

7-8 Step forward on right foot, dip down bending on right knee

Styling: put arms out in circle in front of you and scoop arms in towards you as if scooping the winning coins from slot machine or from table in toward you. This is done on putting arms out and drawing them in as you shuffle back on 1 and 2 also again on 3 and 4. It is done twice as you shuffle back

1-4 Shuffle back on left then right then left hold on count 4

5-8 Shuffle back on right then left then right hold on count 8

Styling: throw arms out and up in air in celebration style arms in on bend down and throw out as you straighten up as you make turn ½ turn left

1-2 Bend right knee down, straight up as you start to turn left (down-up) throw arms out on up

3-4 Step down on left bending down, come up turning left (down-up)

5-6 Step on right bending left knee dipping down, come up turning left (down-up)

7-8 Step on left bend down, straighten up as you complete ½ turn left keeping weight on left
