## REPEAT

## TAG

The first time there is a short break in the music, you just keep dancing right through it. The second time, do

the drag back & knee pops, then do two extra knee pops (left-right) on the trumpet blasts & resume dancing with the music (next step is the vine ½ turn)  
The vine & full turn can be replaced with an extended vine. After the scuff, step right foot to right side, step left foot across behind right, step right foot to right side, step left foot across in front to right.
