- 7-8 Step left forward, make ½ pivot turn right onto right (Q, Q)

**REPEAT**

## RESTART

The 3rd wall is only 24 counts long, and it is necessary to make  $\frac{1}{4}$  turn left on the last count and step right beside left so you can restart facing front

This dance is named for an enthusiastic ex-student of mine who arranged a workshop tour to his native Malaysia and has introduced many of my dances there
