REPEAT

When using the Deana Carter song, there is a 12 count bridge/tag after the 4th repetition of the dance. You will add:

- 1-3 Step forward with left foot, toe out to prep for turn (1), small step with right foot turning ½ left (2), step back with left foot (3)
- 4-6 Step back with right foot (4). Step together with left foot (5), small step forward with right (6)
- 1-6 Repeat

Also, the first half of the 7th repetition of the dance is done slowly to match the change in tempo of music, then resume normal speed

A special thanks to Martin Ritchie from Birmingham for telling me about this wonderful piece of music.
