- 29-32 Walk forward L, catch R behind L, walk forward L, hitch with R leg with $\frac{1}{4}$ turn left (CCW)

Side Touches, Heels & Toes, $\frac{1}{4}$ Turn, 2 Stomps

- 33-40 R side touch, together, L side touch, together, repeat 33-36
- 41-44 R heel tap, R toe tap, R heel tap, R toe tap
- 45-48 Step forward R, pivot $\frac{1}{4}$ left onto L, stomp R foot twice

NOTE: Start the dance at the end of the 16 beat introduction (on beat number 17.) The lyrics will start on beat 19. If started properly, you will end the dance stomping twice (counts 47-48) on the last 2 notes of the song facing the same wall that you started at.

Many people have been shown to start the dance on count #33 and it will work just fine like that, but, the dance was choreographed to start as above at the described point when using the original Osborne Brothers version. Option: Instead of counting 5-6-7-8 to start, stomp R foot 4X.
