REPEAT

TAG

On the second wall of the dance, after the first 40 beats of wall 2, you will notice the second verse of the song comes in to action. Just knock off the last 8 beats and start the dance again (third wall) from where you finish (just after the shuffle back). This only happens once during the song.

On the 5th wall of the dance, after the first 24 beats, you will hold for about 2 counts. After pausing for these 2 beats you continue the dance as normal from where you are (i.e. On the words "even").

FINISH

You should finish the dance on the first shuffle of the dance.
