

Someday

Count: 64

Wall: 4

Level: Intermediate

Choreographer: Amanda Toone (UK)

Music: Someday - Donna Summer

-
- 1&2 Right shuffle
3&4 Left shuffle
5-6 Step on your right foot, pivot half turn over your left shoulder (you are now facing the 6:00 wall or back wall weight is on your left.)
7-8 Step again on your right turn a quarter turn over your left shoulder weight is now on you left. To repeat it again for the next lot of 8 counts you are now facing the 3:00 wall
- 1&2 Right shuffle
3&4 Left shuffle
5-6 Step half turn over your left shoulder(you are now facing the 3:00 wall weight is on your left foot)
7-8 Step forward right turn again a quarter turn over your left shoulder (you are now on the 6:00 wall weight is on your left foot)
- 1-2 Step right to right side, touch your left toes and click your fingers at the same time to add styling
3-4 Step left to left side, touch right toes and click fingers at the same time to add the styling alternatively you can do body rolls right and left to be a little different but it looks great if you can do them well!
5-6 Rock right to right side, recover weight on to left
7-8 Cross right over left, point left to left side
- 1-2 Cross left over right, point right to right side
3-4 Cross right over left, cross left over right point left to left side
5-6 Cross left over right unwind three quarter turn(over your right shoulder you are now facing the 3:00 wall with the weight on your left foot)
7&8 Kick your right foot forward and step back bringing it together changing weight quickly from left to right on the balls of your feet but stepping forward on your left as you change your left this is also known as a kick ball step forward
- 1-2 Step right, touch left toe behind right heel
&-3&4 Step back on your left foot, put your right heel forward, step forward right, and touch your left toe beside right (weight is now on your left)
5&6 Left coaster step backwards(left step back, right together, left forward)
7-8 Step forward right, touch your left toe beside right keeping your weight on the left foot to help with the next section of 8
- 1-2 Step left over right, step back on right as you are starting to turn over your left shoulder
3-4 Step forward left as you make half a turn, step right foot together(you are now at the 9:00 wall with the weight on your right foot)
5-6 Bump your left hip forward, then back
7&8 Forward, back, forward(weight is now on your left)
- 1-2 Bump your right hip to right side, then back on to your left
3&4 Bump your hip right forward, back, forward(weight is now on your right foot)
5-6 Walk forward left, then right

- 7&8 Applejacks right then left or alternatively for those who cant do apple jack can just twist left the right(making sure that the counts fit with the steps though)
- 1-2 Walk forward left, then right
- 3&4 Apple jacks again
- 5-6 Cross right over left, step left to left side
- 7&8 Step right to right side, 2 jumps forward, make sure that you end up with the weight on your left

REPEAT
