REPEAT

When dancing to "Sophisticated Lady" begin dance after 16 count intro. Wall 3 will only be 20 counts long. Do the first 20 steps putting weight on left foot after unwind instead of right at count 20 and then start at beginning. Wall 6 will be 40 counts long. Repeat steps 25 thru 32 at the end to make that wall 40 counts long and then start at beginning. Finish dance as written. When dancing to another West Coast song do the dance as written without putting in the phrased walls.
