REPEAT

As a partner circle dance, start position is "Sweetheart" facing LOD. Substitute walks forward for the skates on steps 25-26. The dance then progresses around the floor toward LOD. Steps are same for both partners. Turns on steps 17-20, and 31&32 - drop RIGHT hands. For the turn on steps 45,46 - drop LEFT hands to turn under the arch. The slower music is more suitable to partners, especially for learning.
