**On steps 77-80 (the repetition of steps 61-64) raise hands over head then wiggle fingers while lowering them slowly to the thighs (manual sign for "rain"). The second cycle of the dance is ahead of the lyrics by one bar. Start the "stars" and "water" manual signs with the lyrics and skip the "rain" sign. On the instrumental (the third cycle) dancers may wish to skip the "stars" signs but retain the "water" signs to coincide with drags to the side in steps 49-80. At the end of the fourth cycle (facing front wall) when the chorus repeats, dancers repeat**

steps 49-80 and continue regular pattern at step 1

**REPEAT**

Restarts at step 49 after the fourth repetition (at repeat of chorus)
