- 
- |       |                                                                             |
|-------|-----------------------------------------------------------------------------|
| 1-4   | Walk forward right, left, right, hitch left knee                            |
| 5-8   | Walk back left, right, left, stomp right beside left                        |
| 9-10  | Step forward right, touch left beside right                                 |
| 11-12 | Step back left, touch right beside left                                     |
| 13-14 | Step right to right side, touch left beside right                           |
| 15-16 | Step left to left side, step right beside left                              |
| 17-18 | Swivel heels right, back to center                                          |
| 19-20 | Swivel heels left, back to center                                           |
| 21-22 | Fan toes out, bring them back together                                      |
| 23-24 | Fan heels out, bring them back together (weight ends up on left)            |
| 25-26 | Tap right heel forward twice                                                |
| 27-28 | Tap right toe back twice                                                    |
| 29    | Tap right heel forward                                                      |
| 30    | Tap right toe back                                                          |
| 31    | Touch right toe out to right side                                           |
| 32    | Hitch right knee and make a $\frac{1}{4}$ turn left, keeping weight on left |

**REPEAT**
