REPEAT

"Low clap" means a little above knees, body bent, "high clap" means above your head, body straight. An easy way to count these two lines (29-32) is "5-clap-6, 7, clap-clap"

If you dance to the original Danish music, you can split up the dance in Part-A (1-32) and Part-B (33-64) And dance it in the order A-A-B-A-B-A-B-B-A, in this way the samba appears right in place.
