8 Touch right toe near left rotating right knee inward

Notice there is no & count here. Don't step down

REPEAT

RESTART

Shorten the 3rd and 6th walls. Dance counts 1-32 with a small revision for 31-32 which keeps the dance oriented to front and back walls. At the beginning of each short wall, if you listen for the word, "baby", you will

not need to count walls
