REPEAT

TAGS

After the 3rd, 6th, and 9th repetition of the dance (or after each chorus in the vocals of the song). Each tag consists of the following moves performed at the end of the chorus while the words "Boardwalk, Boardwalk" are being sung:

- 1 Point right toe to right side while extending right arm to right diagonally downward. Turn head to right and look at extended hand at the same time that the toe and arm are moving
 - 2 Touch right toe beside left foot while bringing right arm across body with forearm parallel to floor. Turn head forward at the same time that the toe and arm are moving
 - 3-4 Repeat 1-2
 - 5-8 Hold for four counts until the primary verse begins again (listen to the music because the "hold" cues off the music)
-
