8&(1) Step left foot to left side, step right foot beside left, (step left foot to left side)

**Step 1 from the beginning of the dance has been added above for clarity**

## REPEAT

The chosen music appears on MANY Old Skool and Club/Dance Classics albums, therefore there are lots of versions. My dance was written to the version on the 3-CD compilation above. The INTRO shown is for this version only, any other version just start on the vocals! Alternatively, you can purchase a CD single that was released in August 2004 by Soda Pop featuring Ashley Jade. This is the same song and you would need to use the Love To Infinity Radio Edit. Although, in my opinion, it's nowhere near as good as the original!
