- |     |                                                                   |
|-----|-------------------------------------------------------------------|
| &1  | Jump out right, left                                              |
| &2  | Jump in right, left                                               |
| 3-4 | Walk right, left                                                  |
| &5  | Jump out right, left                                              |
| &6  | Jump in right, left                                               |
| 7   | Walk right                                                        |
| 8   | Ouch left to left                                                 |
|     |                                                                   |
| 1&2 | Knee ball-change left                                             |
| 3-4 | Step left across right, touch out right                           |
| 5-6 | Step right behind left, step left to left                         |
| 7-8 | Step right across left, step left to left with $\frac{1}{4}$ turn |
|     |                                                                   |
| 1&2 | Shuffle backward right                                            |
| 3&4 | Shuffle backward left                                             |
| 5   | Touch right toe back keeping weight on left                       |
| 6   | Pivot $\frac{1}{2}$ putting weight on right                       |
| 7   | Step forward left                                                 |
| 8   | Jump feet together                                                |
|     |                                                                   |
| 1&2 | Hip 2x right at right diagonal                                    |
| 3   | Rock back left                                                    |
| 4   | Step right together                                               |
| 5&6 | Hip 2x left at left diagonal                                      |
| 7   | Rock back right                                                   |
| 8   | Step left together                                                |

**REPEAT**
