- 37 Stomp left next to right (weight on both)

- 39 Swivel heels to center
- 40 Stamp right (weight on left)

REPEAT

I use Stamp instead of Stomp to indicate that you do not leave your weight on that foot. STAMP: no weight (e.g. beats 33 and 40); STOMP: with weight (beat 37); It is a reasonably common usage in Australia

VARIATIONS: For added difficulty - do a full turn to the right on beats 25-28 and 29-32 (yes, that means a turn to the right on a vine left!)

Counts 13-24 are exactly the same as 1-12 just leading off with the other foot.
