

Jingle Bell Rock (P)

COPPER KNOB
STEPPERS

Count: 32

Wall: 0

Level: Partner

Choreographer: Edna Barnhart

Music: Jingle Bell Rock - Lynn Anderson

Position: Couples, holding hands, stand facing to the left around a circle - guy on the inside, girl on the outside.

- 1-3 Starting with the outside foot (guys left, girls right) walk forward three steps
4 Brush with inside foot
5-7 Starting with inside foot (guys right, girls left) walk three steps in place
8 Brush with outside foot
- 9 Step one step apart to the side (guys to left, girls to right)
10 Touch inside foot beside outside foot
11 Step one step together (guys to right, girls to left)
12 Touch outside foot next to inside foot
- 13 Step one step apart to the side (guys to left, girls to right)
14 Touch inside foot beside outside foot
15 Step one step together (guys to right, girls to left)
16 Touch outside foot next to inside foot
- 17-19 Vine apart (guys to left, girls to right)
20 Stomp inside foot as you clap hands
- 21-23 Vine together facing partner on count 23 and raising both hands chest high
24 Stomp (guys left, girls right) as you clap hands with your partner
- 25-27 Turning vine forward into line of dance (guys to left, girls to right)
28 Stomp (guys right, girls left) as you clap hands with your partner
- 29-31 Turning vine back (guys to right, girls to left)
32 Stomp (guys left, girls right) as you clap hands with your partner
- Turning to face around the circle as you take the first step**

REPEAT

When done as a mixer, either the guy or girl walks forward on the first three steps of the dance (while their partner steps in place) takes the hand of the new partner during the brush on count 4, and both walk forward together on counts 5-8.

Variation: Vines apart and together (steps 17-24) may also be done as turning vines.
