&3&4 Hop right foot to center slightly back, hop left back together, hop back right stepping out right, hop left back stepping out left
&5&6 With feet shoulder width apart lift both heels, lower both heels, lift both heels, lower both heels weighting left
7&8 Pop right knee forward, step right while popping left knee forward, step left while popping right knee forward

The pops are more like a fake little run, run, run in place (6:00)

STEP, TOUCH, ¼ TURN, TOUCH, HEEL GRIND, TOUCH, COASTER STEP

- 1-2 Large step diagonally right on right, touch left toes next to right heel
3-4 Turn ¼ left stepping forward on left, touch right toes next to left heel
5-6 Forward heel grind right, or step, while right heel carries weight touch left toes next to heel
7&8 Step back on left, step together on right, step left slightly forward, (3:00)

REPEAT

TAG

After 6 walls, facing 6:00

SIDE SLIDE TOUCHES

- 1-4 Slide right foot diagonally right, draw left in touching next to right, slide left foot diagonally left, draw right in touching next to left

Option: raise right arm to pat right hip on left touch, raise left arm to pat left hip on right touch

SPECIAL ENDING

With the Englebert version there is a rhythm change to a "Broadway" style for 30 seconds at the very end of the song. Either hard fade, or improvise the last bit of music. I suggest showing off your "pants". Gradually center together forming a chorus line, add kick steps when the beat kicks back in, end facing front. Take a bow
