-
- | | |
|-------|--|
| 1-2 | Right hand out in front of you with fingers making a "gun", left hand out in front of you with fingers making a "gun" |
| 3-4 | Right hand in the air (still making the "gun"), left hand in the air (still making the "gun") |
| 5-6 | Right hand at your mouth (as if you're blowing smoke from the barrel), left hand at your mouth (as if you're blowing smoke from the barrel) |
| 7-8 | Right hand on left waist holstering "gun", left hand on right waist holstering "gun" |
| 9-10 | Both hands on/at buckle, step forward with right foot, bring left foot beside right foot |
| 11-12 | Both hands on/at buckle, step back with left foot, bring right foot beside left foot |
| 13-16 | With right hand in air as if preparing to throw a rope, roll wrist in slow circle left while making a 4 count $\frac{1}{4}$ turn to left keeping left foot stationary (pivot) stepping with right. |

REPEAT

Rock shoulders and hips similar to the original Macarena during the first 8 counts.
