70-71-72 Step right back, step left beside right, step right in place

REPEAT

TAG

When dancing to "Funny Face", when the 3rd wall is begun only do steps 1-22 as above. Then drag the left heel slowly towards the right foot for beats 23-24. This wall is then begun again. When done this way the dance not only fits the music but will also end with the music just as you do step 72.
